## Staff: Amanda Maronedze

Hi my name is Amanda one of the new Registered Nurses at the hospital. I moved to Julia Creek two weeks ago coming from Brisbane. I am a graduate registered nurse and been working as an Enrolled Nurse for two years specialising in Aged Care. I completed my bachelor's degree at Australian Catholic University(ACU) in June 2020.

I was born in Zimbabwe, grew up in South Africa and moved to Australia several years ago with my family. I am enthusiastic and passionately dedicated to nursing. I look forward to learning more about the community and culture (cowboys and cattle) while delivering the highest quality of care. I endeavour to contribute and support Julia Creek. 😊
