

McKinlay Shire

COVID Safe Workshops

Are you a small business or community group who has questions on COVID Safe plans or running COVID Safe events?

When + where

South32 Cannington Mine is sponsoring COVID Safe workshops in the McKinlay Shire. Workshops will cover >>

- ✓ Legislative requirements including the Work Health and Safety Act 2011 and Public Health Act 2005
- ✓ Following public health directions and keeping up-to-date with requirements
- ✓ Collecting and keeping customer details
- ✓ Ensuring COVID Safe management plans are in place which detail how you, your workers and your patrons will stay COVID Safe
- ✓ Operating under a COVID Safe Industry Plan or a COVID Safe Checklist
- ✓ Developing COVID Safe site specific plans.
