

**Julia Creek Community  
Medical Update, May 7, 2021.**

I mentioned last week I'd return with a Medical update, having written on Nursing progress at the Julia Creek MPHS last week.

However, I am still unable to provide any substantial update as discussions are still continuing on this to reach a solution.

When we have more to report on this for you, NWHHS Deputy Chair, Dr Don Bowley, or Chief Executive Dr Karen Murphy will provide an update.

Paul Woodhouse  
Board Chair
