

McKinlay Shire is the Gateway to the Gulf and spans 41,000 square kilometres with Julia Creek being the central operating point. With close to 1,000 residents spread across the townships of Julia Creek, McKinlay, Kynuna and Nelia, McKinlay Shire supports industries including cattle, sheep, mining and tourism.

Our park has grown from strength-to-strength over the past 5 years, which

culminated in receiving the Gold award at the 2021 Queensland Tourism Awards and Silver at the 2021 Australian Tourism Awards under the 'Caravan & Holiday Parks' category. We were also successful at the 2022 Queensland Tourism Awards where we were awarded Silver in the same category.

The Julia Creek Caravan Park Managers will be responsible for all day-to-day operations of the Park under the guidance of Council's Community Services Team Leader. Council is responsible for all ongoing operational costs, repairs and maintenance while providing an exceptional remuneration package that includes a fully furnished 3-bedroom residence with electricity, home phone and internet provided. The Managers will also be provided with Council cleaners during the peak-season (April to September) for assistance with cleaning of cabins and rooms as required. Council utilises the RMS booking system and previous experience with the program is desirable.
