Author: Community Services Team Leader

Executive Summary:

Council has been actively advertising three separate funding rounds throughout 2021/22 as well as an option for local organisations to submit 'Quick Response' applications for a maximum of \$5,000. Council has received a Quick Response Application from the Julia Creek Turf Club to enhance the cultural aspect and Moroccan theme of the Artesian Express Raceday by hosting performances of 'Belly Dancers' prior to each section of the Fashions on the Field and VIP area. The performers will also be socializing with the crowd throughout the day for photo opportunities.

Recommendation:

Council resolves to approve the Quick Response application from Julia Creek Turf Club Festival for \$3,300 to support the cultural enhancement of the Artesian Express Raceday as outlined as per the RADF Committee's recommendation.

Background:

Council has utilised the Regional Arts Development Fund for the past five years to support local artists and arts and cultural activities in Queensland communities. The funding program is delivered as a partnership between the Queensland Government through Arts Queensland and eligible local councils across the State.

RADF promotes the role and values of arts, culture and heritage as key drivers of diverse and inclusive communities and strong regions. RADF invests in local arts and cultural priorities, as determined by local communities, across Queensland.

For McKinlay Shire Council the Program makes arts and cultural activities more accessible for residents that otherwise wouldn't occur due to distance from major centres.

This report was completed with consultation from Council's RADF Committee and Director Corporate & Community Services
