

2023 – 2024 DEBT POLICY

POLICY PURPOSE

The purpose of this policy is to ensure the sound financial management of Council's existing and future debt.

This policy applies to the 2023/24 financial year and may be amended as budget assumptions change during the year.

SCOPE

Pursuant to *Section 192 of the Local Government Regulation 2012*, Council must prepare and adopt a debt policy for a financial year. The debt policy must state the new borrowings planned for the current financial year and the next nine (9) financial years; and period over which Council plans to repay existing and new borrowings.

Furthermore, Council's borrowing activities are governed by the *Statutory Bodies Financial Arrangements Act 1982*.

POLICY CONTENT

Borrowing Purposes

Borrowings will only be used to finance capital works that will provide services now and into the future. No borrowings will be used to finance recurrent expenditure and the operational activities of the Council.

When seeking funding for capital works Council will, wherever possible, use its existing cash reserves. The use of any existing cash reserves will be subject to maintaining all relevant financial ratios and measures within adopted targets.

Council recognises and accepts that infrastructure demands placed upon the Council can often only be met through borrowings, but will always be mindful of the additional cost incurred by the community when assets are acquired through borrowings, which increases the cost of providing capital infrastructure.

Council will endeavour to fund all capital renewal projects from operating cash flows and borrow only for new and upgrade capital projects.

Where borrowing is constrained, borrowings for infrastructure that provides a return on capital will take precedence over borrowings for other assets.

2023 – 2024 DEBT POLICY

The Council will follow a policy of full debt disclosure in all relevant financial reports. Council will maintain close scrutiny of its level of debt to ensure its relevant financial sustainability indicators will not exceed the minimum limits recommended by the Queensland Treasury Corporation.

Borrowing Sources

Council shall raise all external borrowings at the most competitive rates available and from sources as defined by legislation. In essence, debt is to be raised through Queensland Treasury Corporation, unless Treasurer's approval is received to raise debt elsewhere.

Debt Term

When Council finances capital projects through borrowings, it will repay the loans in a term not exceeding the life of those assets and in accordance with Queensland Treasury Corporation's borrowing guidelines.

Council will continue to discharge this debt in the shortest possible time subject to overall budgetary constraints.

Proposed Borrowings

Council has no planned new borrowings for the 2023/24 financial year.

Total borrowings as at the end of each financial year over the next ten years are expected to be in the order of:

2023/2024	\$0.00
