

ACCEPTABLE REQUEST GUIDELINES POLICY

1. SCOPE

These Guidelines apply to the Mayor and all Councillors and employees of McKinlay Shire Council and relate specifically to requests by Councillors for assistance or information in accordance with the *Local Government Act 2009*.

2. POLICY PURPOSE

The Mayor and Councillors of McKinlay Shire Council will all from time to time require assistance or information from the employees of the Council to enable them to effectively carry out their duties and represent the interests of the community.

Section 170A(7) of the *Local Government Act 2009* (the Act) provides that Council is required to adopt acceptable requests guidelines about –

- (a) the way in which a councillor may ask a local government employee for advice to help the councillor carry out his or her responsibilities under this Act; and*
- (b) reasonable limits on requests that a councillor may make.*

Accordingly, these Guidelines outline the standards for the provision of assistance or information to Councillors and are to be followed by the Mayor, all Councillors and all employees.

The underpinning principles and Councillors' responsibilities under the Act are set out in Sections 4 and 12 respectively. The provisions of these Sections require Councillors to act in the interests of the residents of the local government area, to ensure effective service delivery and to be accountable to the community for the performance of the local government.

Section 13 of the Act sets out the responsibilities of local government employees including efficient and effective management of public resources, excellence in service delivery and provision of sound and impartial advice.

Through these provisions, the Act recognises that Councillors need to have access to current and relevant information about the local government to enable them to carry out their responsibilities.

Employees recognise this need and understand that the provision of prompt, accurate information to Councillors will enhance Council's reputation in the community as an efficient, customer focused organisation.

Therefore the purpose of these Guidelines is to support good corporate governance in accordance with the local government principles by providing clear guidance for Councillors and employees to assist them in complying with the Act and serving the needs of our community.
