

Julia Creek Police Station Community Newsletter September 2024

First of all, I would like to introduce myself I am Raigan Manley your newest permanent police officer, I have just transferred from Camooweal, I am excited to get involved in the community. I have moved here with my husband and menagerie of animals including 4 dogs, 2 horses and a sheep (Teeter the police sheep). I am a strong believer in positive policing and crime reduction through community engagement. I grew up in a small country town I love rural policing and enjoy being an active member of the community.

With several relieving police officers in Julia Creek over the past few months, I would like to thank you for your patience and hope that I can bring some stability in policing back to town.

With the school holidays still upon us I would like to remind everyone of road safety and to drive safely with an increase in travellers in town and on our roads. There will be increased presence of police in the Landsborough Highway, Flinders Highway and on the roads within town, officers will be conducting mobile speed patrols, random breath testing and random drug testing.

Domestic Violence is ongoing issue through out the state of Queensland and I will continue the commitment outline by our commissioner to promote a victim-centric, trauma informed capability to prevent, disrupt, respond to, and investigate domestic and family violence. Enhancing understanding and specialist capability in managing perpetrators and ensuring they are held to account. I will Lead by example to increase community confidence and influence community attitudes and beliefs around domestic and family violence.

Julia Creek Police station will be open for all enquiries on Tuesdays and Wednesdays from 9am to 12pm (dependent on staffing and jobs). If you need to contact me I am available while on shift on 07 4744 1622 if I am not on shift it will be diverted to Policelink where you can leave a message for me.
