JULIA CREEK

CONSUMER ADVISORY NETWORK (CAN)

COME AND ENGAGE WITH THE JULIA CREEK MPHS

THERE IS AN OPPORTUNITY AT JULIA CREEK
MPHS CONSUMER ADVISORY GROUP (CAN)
TO NOMINATE AS THE FOLLOWING:

- CHAIR
- VICE CHAIR
- COMMITTEE MEMBER

This allows the consumers to partner with NWHHS and Julia Creek MPHS to help co-design services, provide feedback on health plans and initiatives and review publications.

We're particularly looking for new consumers to join our Consumer Advisory Networks which meets quarterly to discuss the health needs of the community and hear from Executive members and NWHHS staff about current issues and opportunities.

Consumer advisory bodies provide valuable feedback to governing bodies about the quality of care and services they deliver. They help build a person-centred culture committed to quality health care.

A note from the Midwife:

Have you or someone you know recently found out you're having a baby? 🤰

It can be overwhelming to know what to do next... but we're here for you.

The Midwifery Group Practice (MGP) program provides outreach Midwifery to Cloncurry and Julia Creek 🌸 This is a free service where women are supported by a known midwife throughout their pregnancy and six weeks after the birth of their baby 🤱

MGP midwives work closely with the Mount Isa Hospital 🏥 obstetricians and other health care professionals (including Private Obstetricians), allowing the team to care for women and their families through their journey.

📱 You can self-refer to the MGP program (no doctor's referral needed) by messaging or calling 0436 360 935.

You can also self-refer by completing the form below, and specify Julia Creek / Cloncurry

Patient Travel Subsidy Scheme

The Patient Travel Subsidy Scheme (PTSS) provides financial assistance for patients who are referred to specialist medical services not available at their local public hospital or health facility. Eligible patients can apply for a subsidy to assist with travel and accommodation costs of accessing specialist medical services.

Patients approved for PTSS will receive a subsidy to attend the **closest** public hospital or health facility where the specialist medical treatment is available. Patients travelling to access private specialist services may be eligible for a subsidy if the service is not available within 50 kilometres of the patient's closest public hospital or health facility.

The Scheme is Queensland Government funded and administered through Queensland Health. It aims to support Queenslanders to access specialist medical treatment wherever they live in the state.

New to PTSS

1. Complete Form A – to register for PTSS
2. Complete Form B – to apply for travel, accommodation and escort subsidies (conditions apply). Have your appointment booked, submit forms, with your letter of appointment to your local health facility to **before** you travel. Admin can arrange for Dr signature on form, not necessary to have an appointment for this. Admin can apply for bus, train, flights and Health Card holders accommodation.
3. Take a Form C to be filled out and signed by the specialist or representative to confirm attendance. Return the completed form to your health facility to lodge for processing, with receipts for fuel and accommodation.
4. Complete Form D if you are not staying in commercial accommodation (ask for the form when making your application).
5. Subsidy payment should be received within 30 business days of submitting the return paperwork. There is a time limit of 1 year from the appointment date to claim.

Forms A B C D are available online at www.qld.gov.au/health/services/travel/subsidies or from the local health facility.
