

Dear Parents, Caregivers and Students,

Term 3 has passed almost in the blink of an eye and we will soon be ready for another School Holiday Program. The information and permission form for the program will be attached to this brief cover letter. I just wanted to take the opportunity to highlight some important information regarding the upcoming school holidays.

I will be away for the entire school holidays. Jo will be running the first week of activities before she goes away, which means we have Lindsay Malone and Cath Purcell helping us in the second week.

With this being said, it would be greatly appreciated if all forms could be returned **as soon as possible** to ensure I can have participant numbers and contact details available for Jo and the other supervisors. Early next week before Wednesday September 18 would be the ideal timeframe to make this work.

In regards to activities, it would be excellent if students participating in the 'String Art' project could attend both days of the arts & crafts to ensure they complete their design. Also if possible, could you bring a hammer from home (otherwise children may be able to share). Additionally, templates for the 'String Art' can be found from a quick google search, if there are particular designs that your children would like to complete then please print them out to bring along if possible, otherwise there will be some available for selection.

The 'Messy Day' will require old clothes (and a spare change if necessary) to be worn as the name suggests the children could get quite dirty. Children will be required to bring their own fishing rods/tackle for the fishing trip and the bus will leave from the school at 8:20am. If a couple of parent supervisors were able to assist that would be greatly appreciated – please let me know if you are available.

I will be able to be contacted right up until September 20 should you have any questions, otherwise please contact Jo on 0400 059 717 should your child be unable to attend or you have further questions during the school holiday program.

Hope everyone has a great holidays.

Kind regards,

Kalan Lococo
