## COVID-19 COMMUNITYUPDATE

As we continue through this difficult time, we would like to thank everyone in the community who is adhering to the rules for social distancing, frequent hand washing and other directives that are keeping our community safe.

The MPHS will continue to be open for all outpatient clinics, 24/7 emergency and residential aged care. We may go through some changes as the needs arise but will function as normally as possible to provide the best health care for our community.

Please don't neglect your health and maintain all the normal activities that keep you healthy day to day.

Keep up the good work and **DON'T BE COMPLACENT** so that we can keep ourselves and our loved one safe in the months to come.

Flora Weinman
